Fabulous Food Catering & Events

What does Fabulous Food specialize in?

We specialize in freshly prepared food, onsite at your event. We have a team of people who are skilled in all types of cuisine.

What types of events do you cater?

We cater all event types – weddings, bar/bat mitzvahs, birthdays, Business openings, galas, social events, corporate events, themed events, family gatherings – or just because.

What is your favorite event?

We love event logistics. We relish the pace of a challenging, fast-moving event. But we also love the sweet events where family and friends gather together.

What type of cuisine do you serve the most?

We have a very large out-of-state client base. We serve amazing upscale, gourmet regional and local cuisine.

Do you have a Pastry Department?

Our Executive Chef started as our Executive Pastry Chef. She is creative and detail oriented. Our cakes and pastries are so tasty.

Do you close in the summer?

We are open 7 days a week, 24 hours a day, weekends, and holidays. We are here for our Clients whenever they need us!

Do you travel outside of the metro area? Out of state?

We do travel. We love to travel. Our Clients have taken us to such incredible locations in Arizona as well as throughout the country.

How many events will you service in an evening?

That depends upon the size of the events. We will never take more events than we can serve properly. Our Clients have an expectation of our service and we will not compromise that.

What other food service are you involved in?

We operate Gertrude's at the Desert Botanical Garden since it's opening over 10 years ago.

How do you keep things fresh and innovative?

I have a building full of talented people that have passion and drive to provide and produce the best, newest, tastiest foods. Whether frequenting restaurants to see trends or attending industry meetings, we love to add our creative, out of the box signature.
